

Adaptive Employee Experience Guide!

Step-by-step guide for transitioning to the new isolved interface.

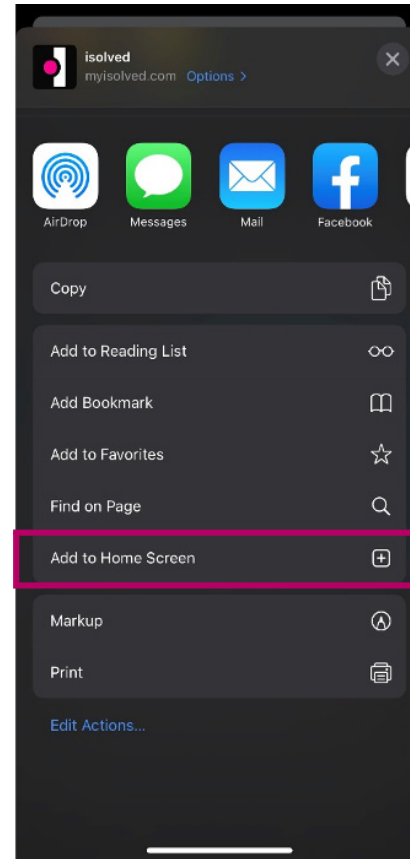

1 Step 1

Navigate to your isolved login on your mobile device browser.

2 Step 2

Once logged in, you will be prompted at the bottom to install the app to your Home Screen. Tap the **share icon** in the middle.

3 Step 3

Select the **"Add to Home Screen"** link from the list of options.

4 Step 4

The isolved "app" will be added to your mobile home screen for simplified access.
